Dear Peta

I was delighted to read the recent Ofsted report which judges Rickmansworth Park Junior Mixed and Infant School to be a good school. It is particularly pleasing to see a school maintain a judgement of good under the current Ofsted inspection framework.

I have noted the school's strengths as highlighted in the report and am sure you already have plans in place to address the areas for improvement identified by the Ofsted team.

I know that Ofsted inspection can be a challenging time for staff, school leaders and the school community as a whole. However, congratulations to you, to your governors and to your staff for this outcome. I would be grateful if you would pass my sincere thanks to all staff and governors for the significant part they play in ensuring that the pupils of Rickmansworth Park Junior Mixed and Infant School fulfil their potential.

Yours sincerely
